LPE Company Profiles

LPX Group Web Page

Background Information - LPX Group Web Page

- The LPX Group web page is one of the leading web pages in the field of listed private equity (LPE)
- The LPX Group homepage visitors are professional investors seeking for information about LPE on aggregated market level and single company level
- About 50% of LPX Group homepage visitors are already invested in LPE companies directly or via LPX index linked investment products

Statistics - lpx-group.com

Source: LPX Group webpage survey 2008-2009

Service - LPE Company Profiles

- An individual corporate profile will be implemented on the LPX Group Homepage (prominent positioning) which provides investors detailed information about the LPE company
- LPX Group provides factsheets on single company level based on the LPX Group Research. The factsheets are available for download and are updated regularly
- The LPE company logo will appear on the LPX Group start page to ensure convenient navigation to the LPE company web page on www.lpx-group.com
- The profiles and factsheets will be customized to meet the special needs of each LPE company

Benefits of LPE Profile Subscription

- Access to a broad LPE investor base and relevant media channels
- Access to a international listed private equity investor base (refer to LPX Group webpage survey 2008-2009)
- LPX Group provides detailed information on single company level to investors
- The factsheets are based on the LPX Group Research, the leading Research in the field of global LPE vehicles and are available via download for a broad array of (potential) LPE investors
- The LPE company profiles on the LPX Group web page increase the investor base and raise the awareness and understanding of LPE vehicles
